

Online Voting Platform

Why camera error?

Why camera is required?

- As a security and transparency feature - This particular poll requires voter to capture their image before voting. This is to record that voter himself is voting and has not delegated it to somebody else.

Why camera is not opening on its own?

- Your system (mobile / computer) settings has restricted camera access

Why Right2Vote can't open it?

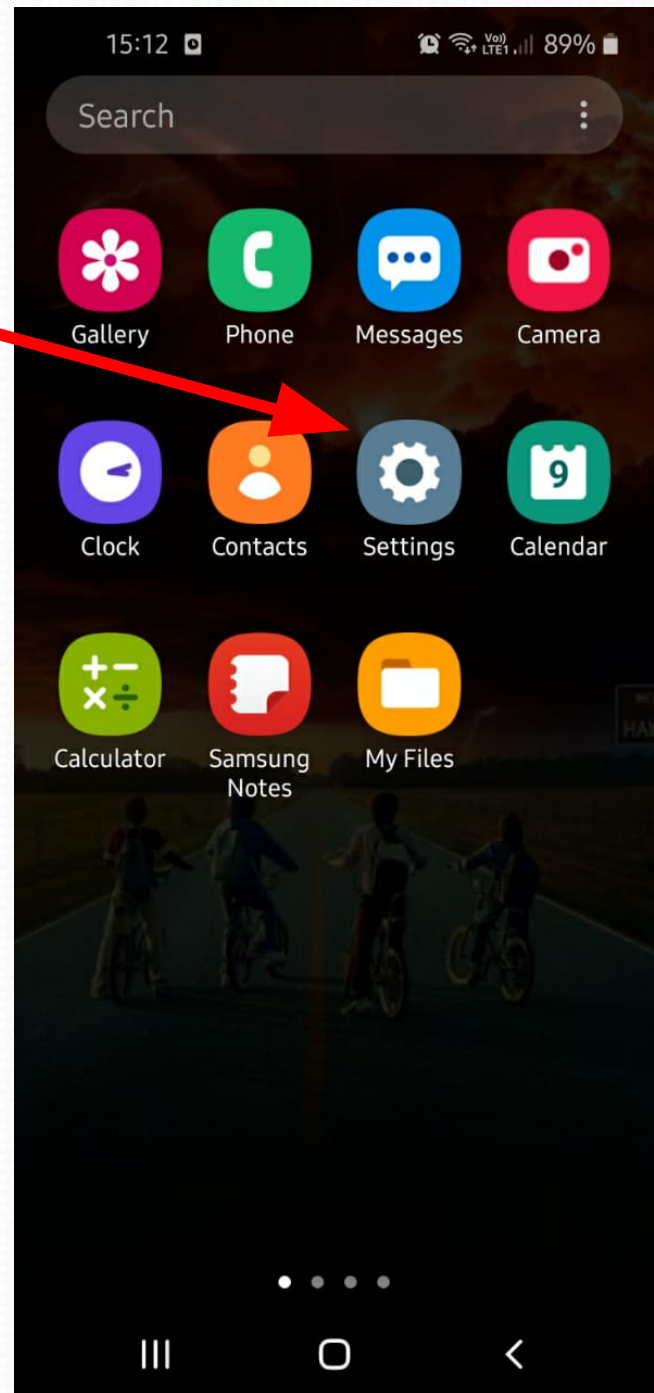

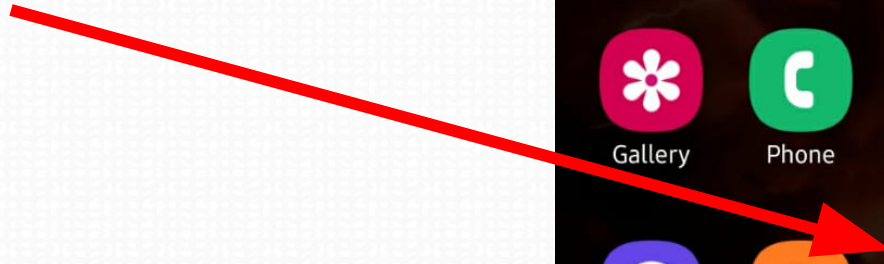

To protect voter's privacy. As per privacy requirement under law, we cannot open camera without user's explicit permission.

Mobile - Android

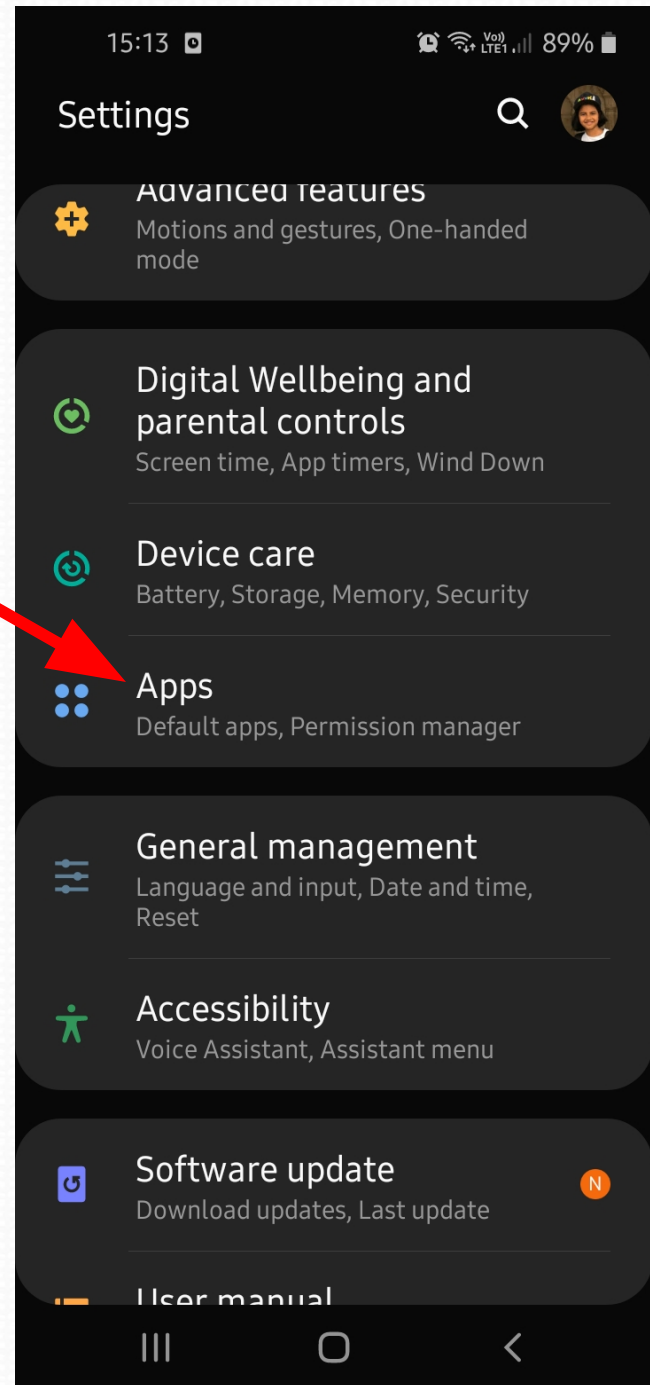

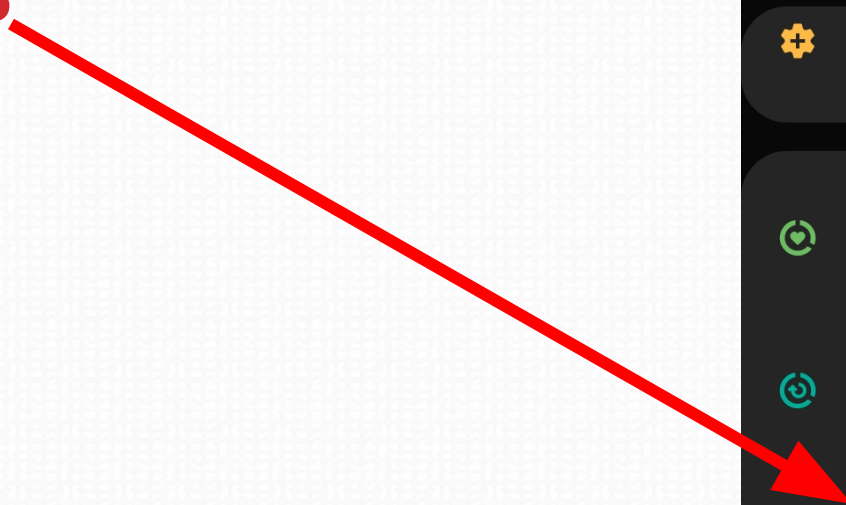

Steps (Mobile – Android)

1. Mobile Settings
2. Apps
3. Chrome (or any other browser you are using)
4. Permissions
5. Camera – Always Allow

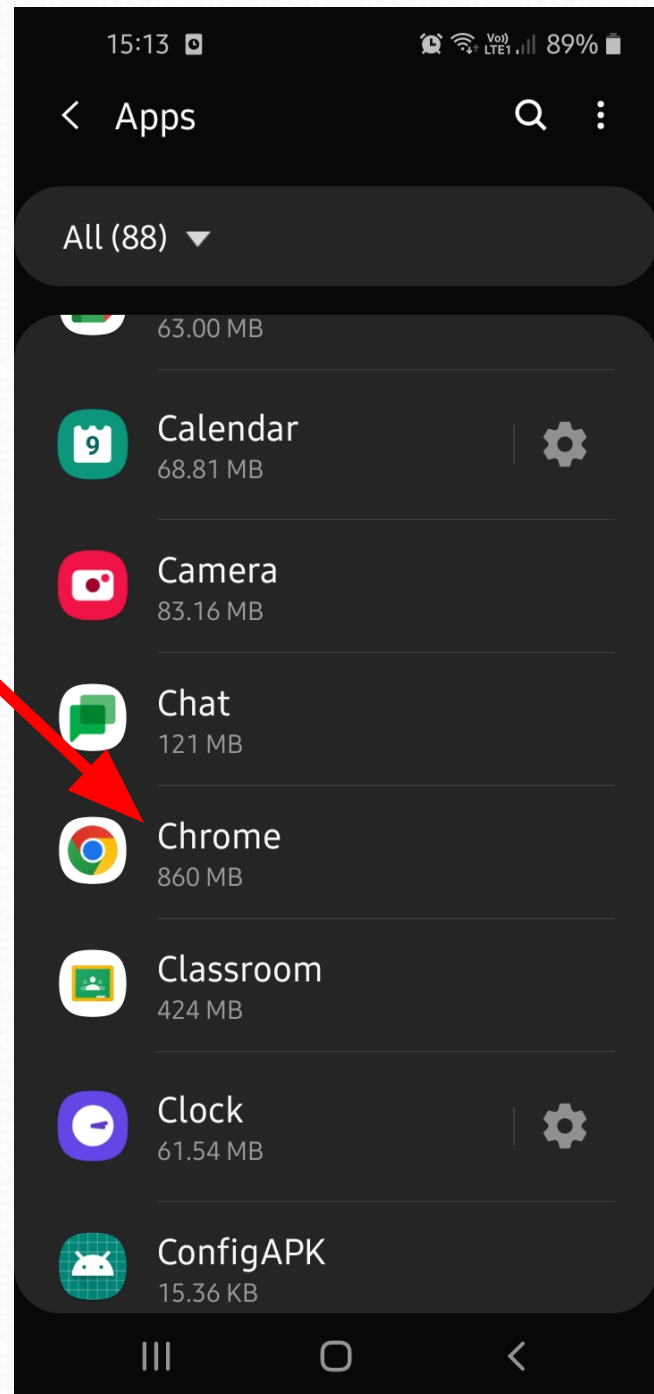

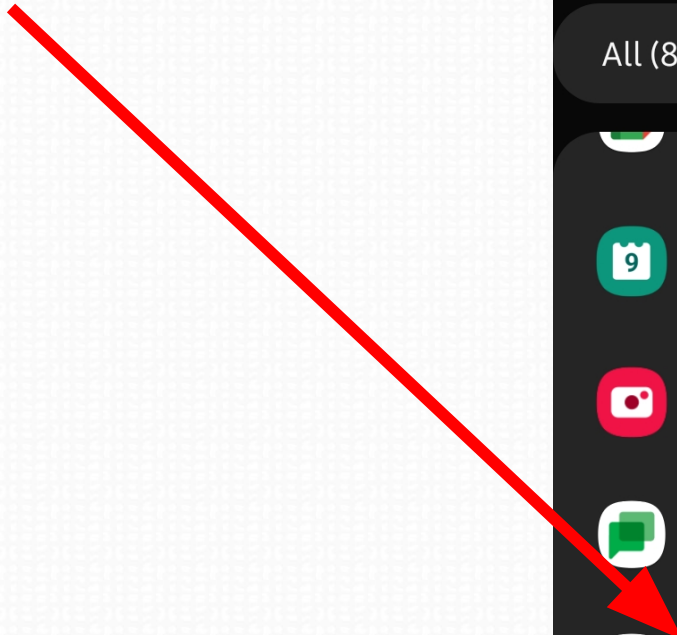

Settings

Note: You might have to keep scrolling down to find the Browser (Chrome / Safari or any other browser)

Safari

Chrome

Note: You need to Allow camera

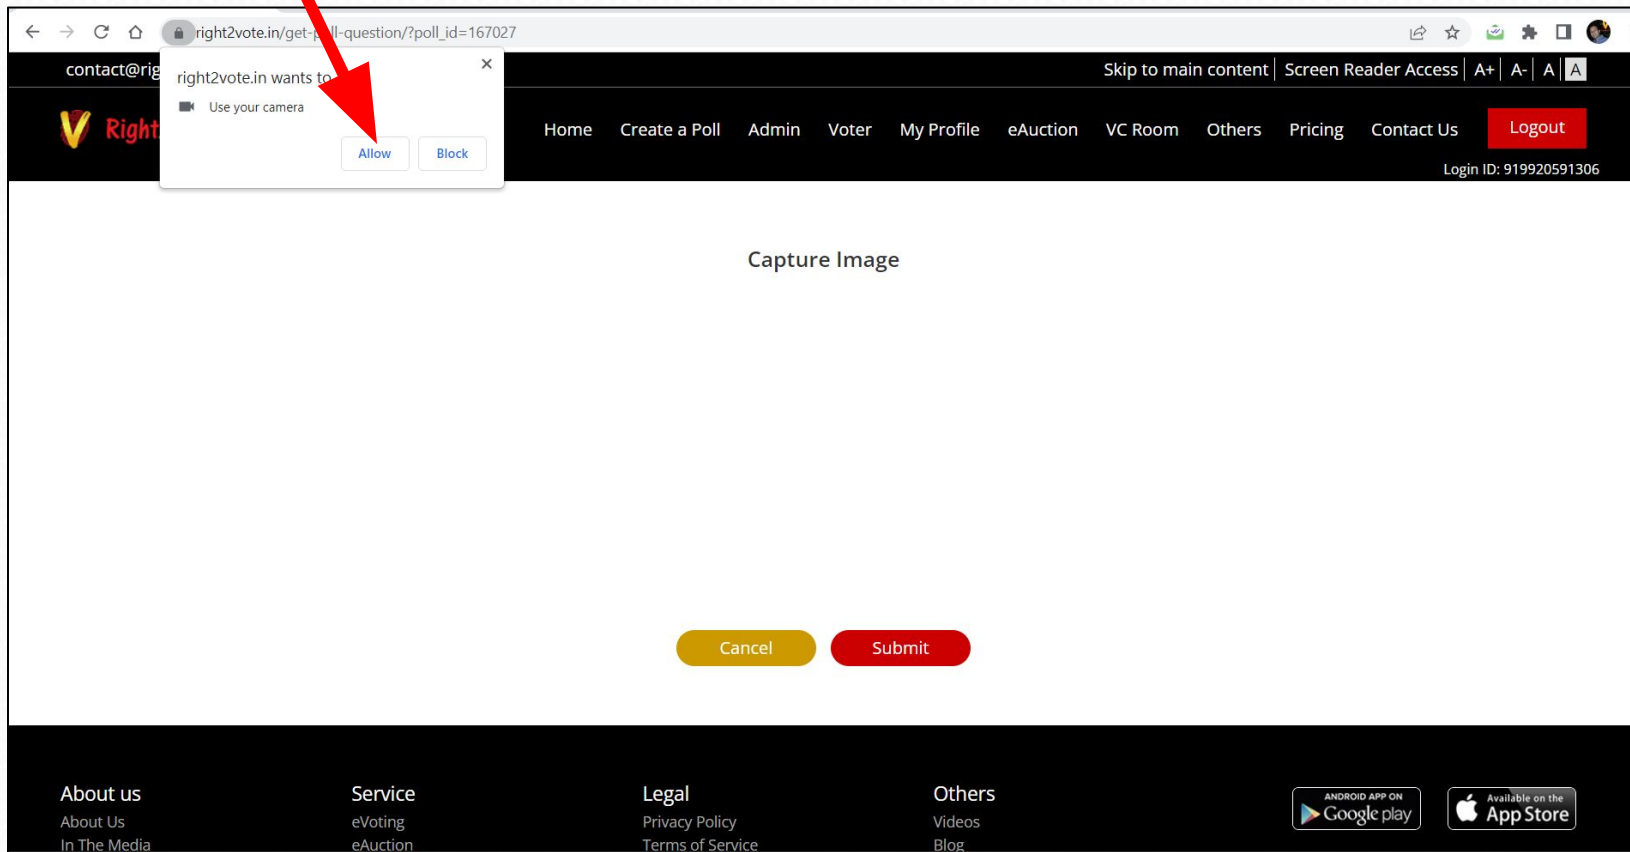

Laptop / Computer

Steps (Mobile – Android)

1. Click on small CAMERA ICON on address bar
2. Select ALWAYS ALLOW Camera
3. Refresh screen
4. SUBMIT

Allow camera

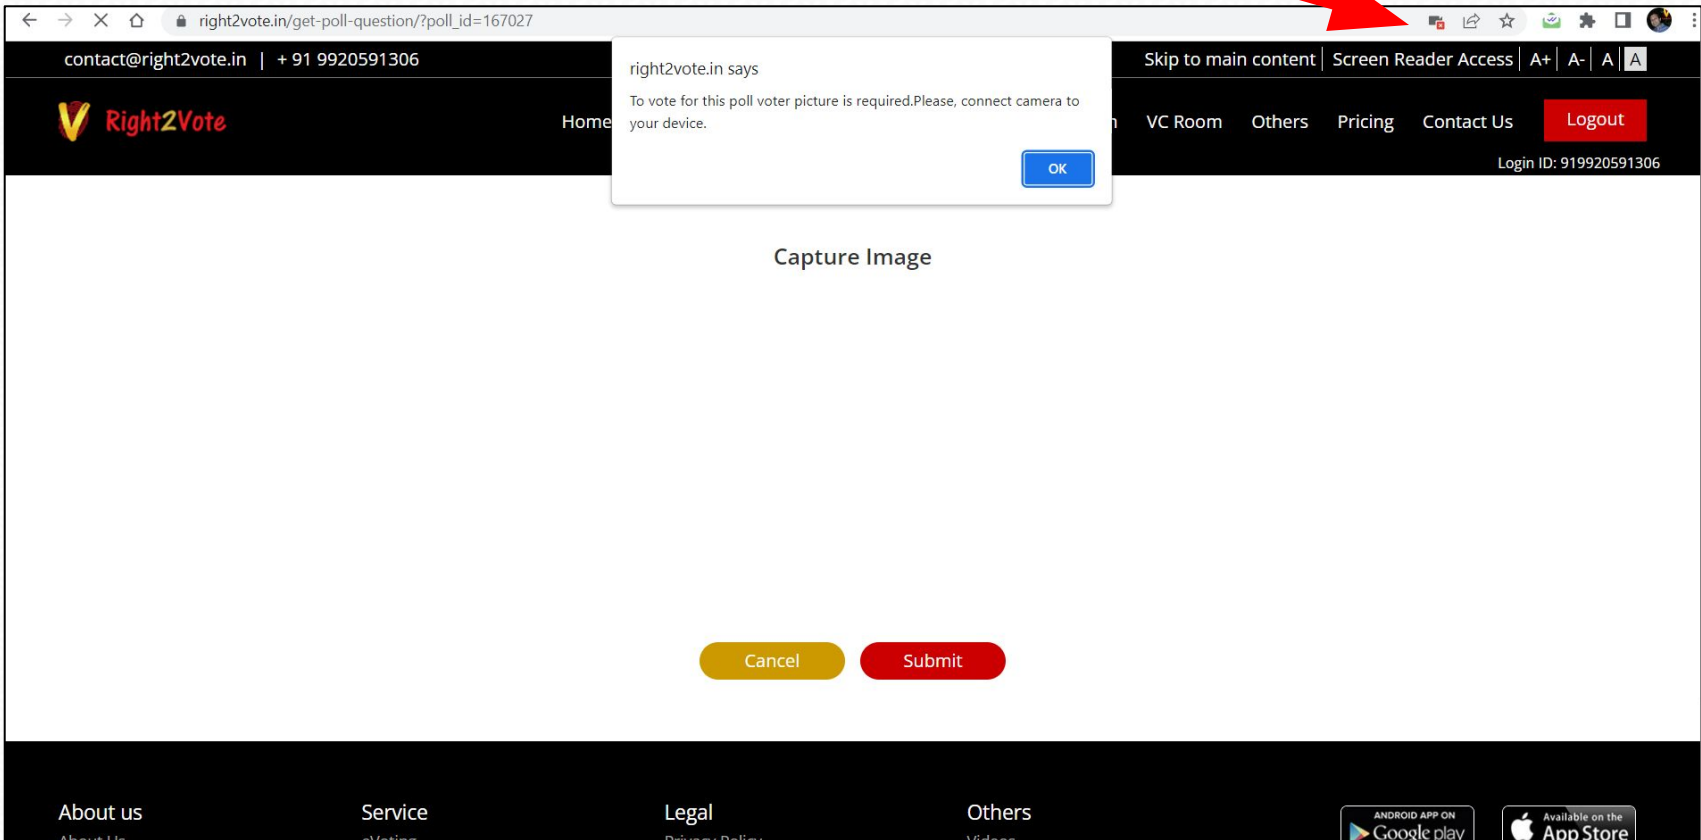

Note: A pop up might ask to allow camera – Please select ALLOW

The screenshot shows a web browser window with the URL `right2vote.in/get-poll-question/?poll_id=167027`. A permission pop-up is displayed, asking for camera access with the text "right2vote.in wants to use your camera" and two buttons: "Allow" and "Block". A red arrow points from the "Allow" button to the "Allow" text in the main heading above. The main page content is a "Capture Image" interface with a "Cancel" button and a "Submit" button. The footer contains navigation links for "About us", "Service", "Legal", and "Others", along with app store logos for Google Play and the App Store.

CAMERA ICON

Note: Click on the camera icon on the address bar

The screenshot shows a web browser window with the URL `right2vote.in/get-poll-question/?poll_id=167027`. The address bar contains a camera icon, which is highlighted by a red arrow from the text above. A notification box from `right2vote.in` is displayed, stating: "To vote for this poll voter picture is required. Please, connect camera to your device." Below the notification is a blue "OK" button. The main content area features a "Capture Image" prompt with a yellow "Cancel" button and a red "Submit" button. The browser's top navigation bar includes links for "VC Room", "Others", "Pricing", "Contact Us", and "Logout", along with a "Login ID: 919920591306". The footer contains links for "About us", "Service", "Legal", and "Others", as well as "ANDROID APP ON Google play" and "Available on the App Store" logos.

ALWAYS ALLOW - Camera

Note: Select ALWAYS ALLOW and then DONE

The screenshot shows a web browser window with the URL `right2vote.in/get-poll-question/?poll_id=167027`. The page content includes a navigation bar with the Right2Vote logo and links for Home, Create a Poll, Admin, Voter, My Profile, eAuction, and VC. The main content area displays "Capture Image" and two buttons: "Cancel" and "Submit". A "Camera blocked" dialog box is open, showing the option "Always allow https://right2vote.in to access your camera" selected. A red arrow points from the "ALWAYS ALLOW - Camera" text to the "Always allow" option in the dialog box.

REFRESH and SUBMIT

Note: After allowing camera access, REFRESH the screen so that your picture appears. Then click SUBMIT

The screenshot shows a web browser window with the URL `right2vote.in/get-poll-question/?poll_id=167027`. The browser's address bar includes navigation icons and a lock icon. Below the address bar, the contact information `contact@right2vote.in | + 91 9920591306` is displayed on the left, and accessibility options `Skip to main content | Screen Reader Access | A+ | A- | A | A` are on the right. The website's navigation menu includes `Home`, `Create a Poll`, `Admin`, `Voter`, `My Profile`, `eAuction`, `VC Room`, `Others`, `Pricing`, `Contact Us`, and a `Logout` button. The `Login ID: 919920591306` is shown in the bottom right corner of the navigation bar. The main content area is titled `Capture Image` and features a video camera feed showing a man in a yellow shirt. Below the camera feed are two buttons: `Cancel` and `Submit`. Two red arrows point to the refresh icon in the browser's address bar and the `Submit` button.

THANK YOU
